DIAGRAM

Life becomes hard
Tough times come

Few capable people
drive change in the world to make it a better place to live

Make life easy for next generation

next generation becomes weak

Planning

Massive Actions

Setup a Goal
what you want
By when you want it (deadline)

Review

Job
your goal

Persistent / Consistent
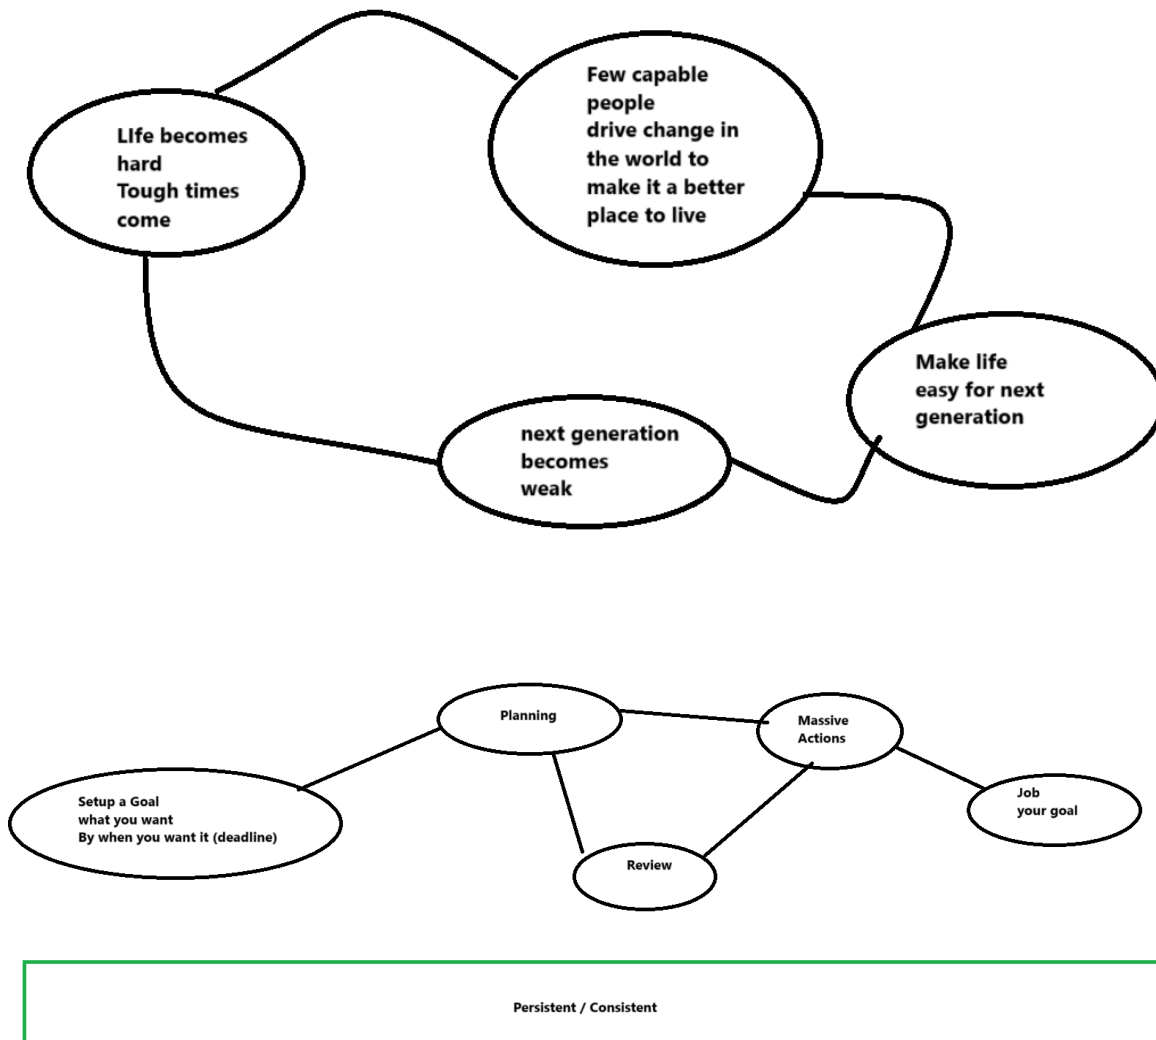

W7D5 -

Complete your Demos.

Multiple ideas/techniques 14+ years.. for growing
Java dev => full stack => 4members => Tech Lead => manager role 10-15member => Sr. manager => 25-30 => Head of tech (40member)

1. Getting entry into IT, is the hardest part.

2. Whatever you becomes as part of this phase of your life, will determine your future.

What kind of person..

Strong, capable, facing your fears, bold, brave, I can do it - attitude, hopeful, persistent ... make you believe in yourself.

3. 2008-2009
2010

Preparation
Jobhunting

Be in top 20%

demotivated..

3-4months

make proper friend & family circle which believe in you & push you to grow further.

Tausief, do you just want to get job, or want to build strong career in IT.

6months.. strong tech preparation..

Hyd - Ameerpet

I will lean & give my best to become great in technology.
- I will not make any timepass friends.

6-8months
No actions, no rewards.

1. 7AM - 9AM
2. 11 - 1PM
3. 7PM - 9PM

No laptops
lab time - 2hrs

Don't take NO as an answer.

1hr

5:30AM
6AM - 7AM
lunch + dinner

7-9PM
dinner
10PM - 11PM

3months

job openings..
500+
3-5 people

6-8month

looking
1. Accenture.

Luck always keep coming in front of your. But you will only see it if you are prepared enough.
